TRADE. dilings. The latter were very scarce, and searchers for Good Middlings went over the market without finding a dozen. But not only the holidays have conspired. bales. Many orders were on the market limited to 13% or Low Middlings, but only exceptional lots could be found at that signre, as full styles were held firm at 140. Mixed lots, running from Ordinary to Low Middlings, or even to Middlings were picked up, but in all such at the receipts of all kinds were tight. An effort was made on the part of some holders to force prices up, owing to the about stock on hand of some leading the receipts of a part of some leading to the about stock on hand of some leading to the stock of the stock on hand of some leading to the stock of the stock dlings were picked up, but in all such cases sellers let go to get rid of their low cottons, for which there was really no demand. On THURSDAY there was a good demand but at prices lower than those of the day before. Only a few sellers were stocks have been light they have been simple for all the necessities of trade. In willing to accept the situation, though offerings were quite large. The decime in Liverpool and New York caused a similar drop here on low grades, but holders of Middlings and above did not show a dispression to record from the second and similar drop here on low grades, but in all articles. It is expected that business in this line will improve during this month, and dealers look forward to such a result units honefully. Boots and show a disposition to recede from the a result quite hopefully. Boots and figures of Wednesday, knowing that fine shoes, like dry goods, have held their own and the weeks business was moderate, guisted between this point and the factories. The day's sales foot up 2500 bales, including 500 taken yesterday and not be-Prices are firm. Meats are dult; moss

fore reported, Middlings 1451414c. On pork sold as low as \$19 50 during the PRIDAY the sales footed up 2650 bales, and sales of dry salt shoulders were reported at 7c, but the increase in rates of freight and the uncertainty about navigamiddlings in the norming opened at 146 its anormality about navigation eshed an advance about the middle of the week. Pork went up 21 and shoulders to 78,680 in lots. Clear sides advanced from 10% to 10% Gibt. The two latter have again declined, and at the close shoulders are quiet at 7% and at the close shoulders are quiet at 7% and at the close shoulders are quiet at 7% and sides with an increased demand, and holders asked higher figures—in some instances advanced from 10% to 10% Gibt. The two latter have again declined, and at the close shoulders are quiet at 7% and at the Element of side—cash.

Element of sid ing the other, led buyers to think that on leves, but it also declined and closes the one relative to stock was bogus, and dull at 50@57c in lots.

BOOTS AND SHOES IN BOSTON AND NEW What this is the case, and the waste matter The Shoe and Leather Reporter says of the aystem, which should be discharged in part through the perspiratory glands, having might have been expected, this being no other outlet than the bowels and the kidbalance. The people who owed in New Orleans and elsewhere, have said here and vice versa. Of course, there are some exceptions to this rule, and they are honorable averaging av port the prices of spring goods, as much must depend upon the nature of the demand as well as upon the general prospects of the country. One thing seems certain, namely, that with our modern facilities we can turn out goods about as ity. It also operates as a sudorine, by toning fast as they can be distributed. We can the vessels of the skin and promoting the fast as they can be distributed. We can tan the hide inside of six days, and convert the leather into shoes in less than twelve hours afterward. Therefore the manufacturers are prepared, and in fact are always ready for any calls that may be made upon them."

The same paper says of the New York market: "The holiday business is usually dull with the wholesale trade and commission houses, and there is but little business doing among them. Advantage of
